Privacy Information for Youth Members

1. Why does 20th Sheffield Scout Group collect information about you in the first place?
 - We keep information about you so that we can:
 - run the Scout Group and our attached Explorer Scout Unit, eXu;
 - plan and improve activities and events;
 - keep in touch with you;
 - keep you safe, e.g. if you get ill when you're on camp.
2. We'll always tell you why we're collecting your personal information.
 - We'll explain why and how we use it and for how long. This is called a ['Privacy Information Notice'](#). If we need your parent's or guardian's permission, we'll give you clear details about what's needed at the time.
3. We can only use your personal information if we have a valid reason.
4. We sometimes share personal information about you to others, but we follow strict rules.
 - The main rule is we never sell your personal information to anyone.
5. Sometimes we'll ask to get your parent or guardian's consent, for example:
 - to sign-up to go on camps;
 - to take part in certain activities (e.g. Shooting or Archery);
 - to let us know that you're able to Swim 50m;
 - to let us know about any special circumstances, e.g. dietary requirements or health issues.
6. Sometimes we'll need to get in touch with you, but we'll always follow these rules:
 - for Beavers, Cubs and Scouts all contact will go via your parents;
 - for Explorers you may be contacted directly, but a parent will be copied in.

7. How we keep your information safe:

- It's our job to keep the personal information we hold about you safe and secure. For example, we use strong passwords to protect our systems and devices where we store your information.

8. You're in control of how we use cookies and tracking on our website

<http://www.20th.org.uk>

- Cookies are bits of data that are stored on your device. Some things on our websites wouldn't be able to work without these cookies, so they're always on when you visit our website.
- We use cookies and tracking to make things easier for you, like remembering what you last looked at on our website.
- You can switch off some cookies and similar tracking technologies. Or your parent or guardian can do this if you're under 13.

9. You've got privacy rights, the same as adults, so get to know what they are. You can:

- ask us what personal information we hold about you
- ask us to correct or delete your personal information
- tell us to stop using your personal information

If you're 13 or older, you can do this yourself, but not always.

Sometimes we'll be asking for your parent or guardian to do that.

If you're under 13 your parent or guardian probably has to do it for you.

10. You can get in touch with us here: membership@20th.org.uk
