"The Duke of Edinburgh's Award is a fantastic opportunity for young people to showcase their skills and talents before entering the world of work. After achieving my own Awards I really felt like I could make a difference - I was so proud."

"I really enjoyed taking part in The Duke of Edinburgh's Award while I was at school. It provided an opportunity to challenge myself, learn new things and do good work in the community. It is something that I still talk about with my school friends to this day."
