

## **20<sup>th</sup> Sheffield Scout Group's Transition Policy**

This is our default transition policy. Occasionally we may change a member's transition point, for example to balance section numbers. The Membership Secretary will be in touch in good time to arrange a member's transition and, for Cubs and Scouts, ask if you have a preference for a particular night. Although we guarantee members will get a place in the next section, we cannot guarantee a place on a particular night.
